- Manager

What you should know

Once you complete this programme you will understand the principles on which the South African Economy is founded and have the skills to be an entrepreneur. This includes insight into the management environment in which the business functions to provide the characteristics and skills which are needed to start and successfully manage your own business, and also to have insight into the challenging world of entrepreneurship and the social responsibilities of entrepreneurs. You would also need to be familiar with the economic and business environment in which entrepreneurs function and to be able to prepare a successful business plan.
